This is the information regarding the Black Sails Pirates.
It seems our ally Anatolia is also affected, and
they are assisting Jalbra with the suppression effort.

she was most likely captured
by the Black Sails Pirates who came to get the goods.
What should I do?

I only nodded off for a second, so
why am I onboard the Black Cats Pirates' ship?!!
AUGH!
Hey, you, how did you get out of the crate?
Whoa!
She broke through it? Unbelievable!
CRASH
Hey!
Let go of me!!
And I was trying to surprise everyone.
I'm a little disappointed
Even so, that was amazing
What? You brought her with you?
She looks like she could be royalty.
I thought she'd fetch a high price.

Shut up!
What's all the noise about?
Captain!
CREAK...
No!
Let go of me!!
You hold her down!
You bitch!
Don't move!

The men brought a woman.
A woman?
She better not be a civilian.
MUSS
MUSS
No!
She's the Third Prince's wife.
!!
That woman...
married to royalty?
STOP!
DON'T TOUCH ME!
No!
No!

Prince Kallum!
WHACK!
Prince Kallum!
So you're prepared to accept the punishment
for laying your hands on my wife?
WHISH!
...Oh!

WHACK
He came to rescue me!!
I can't believe him!
He boarded the ship by himself?!
ROAR
Hurry up and capture him!
But, bro,
he's ridiculously strong!
BONK
Reach out your hand, Mishe!

NG!
...Huh?
Your new prince
values you quite a bit, doesn't he?

Sorry, but I'm not giving you back.
I think I might have a use for you.
...M-
!!

Morgiana?
WHISH!!
Wait, Morgiana!
Why are you...?
So the leader of the pirates is a woman?
And it seems that you are acquainted with Mushe.
Are you curious?
Yeah, I know her.

GRAB!
We'll have plenty of time to
reminisce about the past later.
Morgia-na?
That's enough. Don't move, Mishe.
My weapon was dipped in poison.
If you move so much as a hair, you'll be leaving this world.
What are you gonna do, Prince?
.....
slip...

I understand.
I surrender.
Tie them up.
And leave port.
Wow!
He really is a prince.
As expected, the quality of his gear is nothing like ours.

YAMMER
YAMMER
Idiot, that won't fit you.
I want this.
Ooh, this earring would look good on the Captain, wouldn't it?
I told you to stop it.
There's no way I'd wear anything that belonged to royalty.
WIGGLE
WIGGLE
...Ugh!
We're fine. Cooperate.
Prince Kallum surrendering, it's the first time I've seen him do that.
It's my fault!
I'm sorry.
I'm so sorry, Prince Kallum.
We are not fine!
Prince Kallum, you have to escape!
By the way, why did you come alone?!
How long are you gonna do this? Return to your posts!
Aye!
I have my reasons.

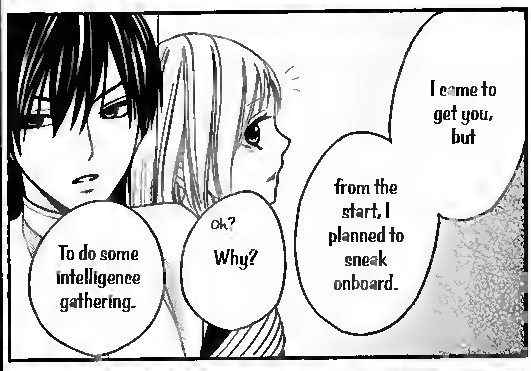
I'm telling you, we're fine.
Besides,
I'm not crying.
Now is not the time to give up.
Don't cry.



To do some intelligence gathering.
Ok?
Why?
from the start, I planned to sneak onboard.
I came to get you, but

Yeah.
Intelligence?
Is there something you want to find out?

That really hurts.
GRIND GRIND GRIND
IT'S BECAUSE YOU SPEAK OF NOTHING BUT SEX.
THAT WOMAN, MORGIANA,
IS GORGEOUS.
Don't worry and be brave like you usually are.
I promise to bring you home safely, so cheer up.
Hmph!

Don't look so scared.
Isn't this our reunion?
!
Morgiana ...
I left that man's dungeon.
It's been about 2 years since
I would have never imagined you at the side of another member of royalty.
The same goes for you.

I'm new here.
Let's be friends.
You're always expressionless.
You'll turn to stone.
Smile, Mishe.
I can't believe
you're a pirate...
Back then, we trained like our lives depended upon it.
I believed his words and thought if I could live up to that King Aleph's standards, I could become his wife.
I came from a poor family, so
in becoming his wife,
I had the goal of working to help the needy and suffering.

Morgiana ---
But
TENSION
to royalty we are just tools after all.
When I was let out of that dungeon,
do you have any idea of the hell I suffered?
Stop, Morgiana!
Prince Kallum is not the same as that man!
Regardless of whatever reason you have,

I will never ever forgive you if you hurt him!!
!!
... Hmph.
THONK
No matter whatever means you try, a bad end awaits this man.
The same goes for you as a wife of royalty, Mishe.
There are around 50 pirates on this boat,
and all of them bear grudges against royalty and nobility.
There is nowhere for you two to run and nobody is coming to rescue you.
Prepare yourself.

After everyone gets in their cut.
I'm going to feed you to the sharks.
We have work to do first. Quickly! Return to your posts!
A-aye!
Captain, we should do it now.
...Prince Kallum,
DOOM
WE REALLY ARE IN TROUBLE. WE HAVE TO ESCAPE RIGHT THIS MINUTE!!
My clothes got rumpled.
WHO GIVES A CARE?!
DIDN'T YOU HEAR? AFTER THEY ASSAULT US, WE'RE GONNA BECOME SHARK FOOD?!
I want to straighten them out
CHEW
CHEW
Ugh!
More importantly, there's something I'm curious about.

want to become King Aleph's wife?
Did you also
SOMETHING MORE IMPORTANT THAN PAIN AND BECOMING SHARK FOOD?!

Now is not the time for that conversation.
BECOMING SHARK FOOD IS MORE PRESSING!
CHAK
Why are you so fixated on that?
What's with her?
Captain?
Even though she was used by royalty.
how can she still trust him?

But isn't it fine if she's living in comfort?
I can't even stand the sight of him...!
Don't worry, Morgiana.
All of us are your allies.
You're too nice.
I shouldn't have surrendered.
Or is that not the case...
!

Ha!
Like I care.
You can do it right there.
Hey!
I really have to go.
Hey, guard,
let me use the toilet.
Yep.
This pisses me off.
Tch!
That'd be me, you prick.
If you must, come on.
I wonder if there's someone who will clean up the mess.
Then I'll do so.
You better hurry and show me where it is.
Quit fooling around, you bastard! You were just there.
I'm a prince, I can't do that.
Men do it off the side of the ship.

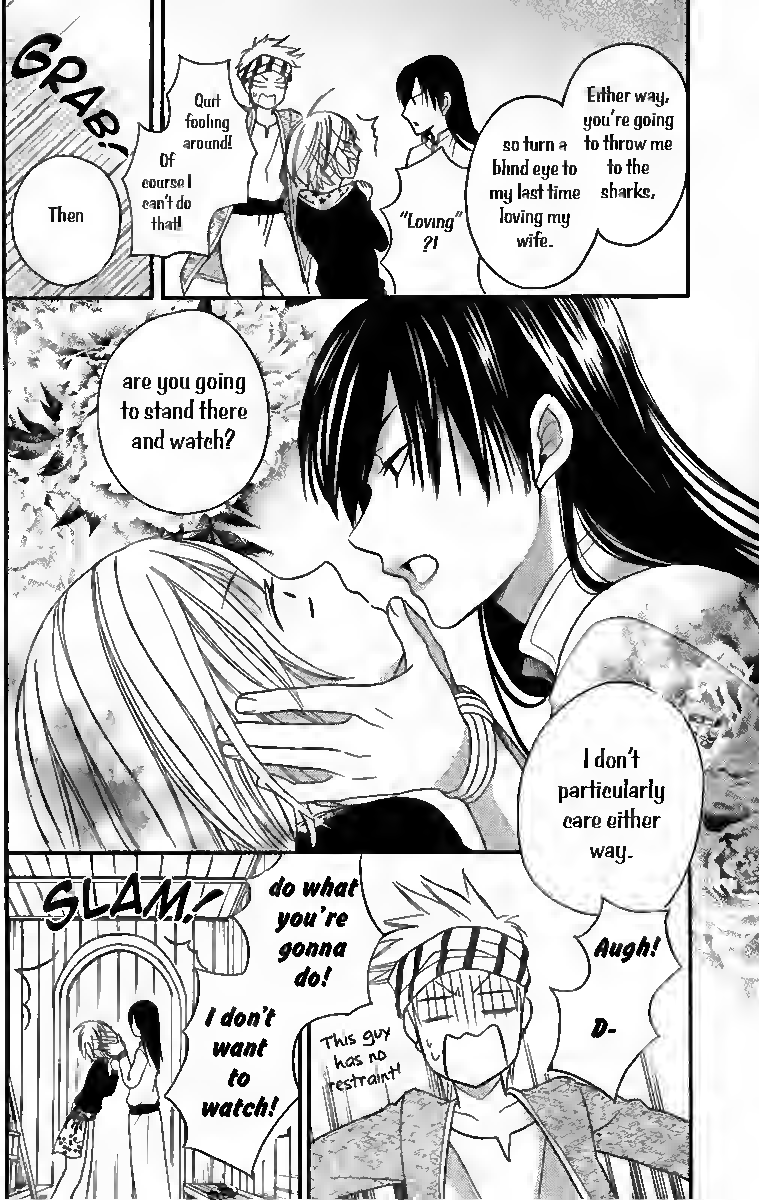
I thought it seemed familiar.
This is my brother's navy ship, isn't it?
Oh?
How do you know?
There's a folded sail from the navy over there.
Hey, no talking.
...This young lady used to hate royalty as much as Morgiana.
An asshole prince like you doesn't understand the Captain's feelings.
That bastard Aleph sold Morgiana to bribe a politician so he could ascend the throne.
I was also his slave, and day after day, I saw him abuse the captain.

"But now,
"I don't have a reason to live."
"When I was released from that dungeon,
I thought my wish came true and I was happy.
I didn't have to overwork myself with strict training."
We stole the politician's fortune and escaped.
Then we gathered others in simular circumstances and stole a ship.
The captain fulfilled her wish by rescuing poor people.

You should understand the captain a little.
Even if I do, I cannot approve.
Being a pirate, someday you'll get caught.
And even though
...you have the best intentions,
it's making trouble for the people who are involved in your crimes.
That isn't what Morgiana intended.
IN THAT DUNGEON,
MORGIANA'S SMILE
WAS MY HAPPINESS,
BUT

"After everyone gets in their cut, I'm going to feed you to the sharks."
VIOLENCE IS THE ONLY THING I CAN'T FORGIVE EVEN THOUGH IT'S MORGIANA.
Is she someone who only harms others?
Hey, we're here.
It's at the end of the hall to the right.
You go first.
I can't go like this.
I can't untie you.
Get in there and figure it out.
I'll pick up and hide something I can use as a weapon....
HURRY UP
At least
Of course he can't untie me.

CREAK...
How did you get in there ?! here?
I didn't mean to startle you. I'm not planning anything.
That's not the problem.
I don't trust you.
... Huh?



GRAB!
Then
Quit fooling around!
Of course I can't do that!
"Loving" ?!
so turn a blind eye to my last time loving my wife.
Either way, you're going to throw me to the sharks.
are you going to stand there and watch?
I don't particularly care either way.
Augh!
D-
This guy has no restraint
SLAM!
do what you're gonna do!
I don't want to watch!

I can't give you any more than 5 minutes.
That's not much time.
I can't express the full extent of my love.
Like I care. Don't be selfish.
A-are you planning something?!
Idiot.
you're the only one planning something.
GULP
There's no place to run. We're at a point where scheming is dangerous.
He's realized the situation...
Keep cooperation as the only plan in your mind.
I'm sorry.
When the time comes to do something. I'll discuss it with you.
Okay.
DEJECTED
By the way, I was trying to find a weapon to fight with.
Then it's good that I came with you, seeing as how you have no plan.

Hey, where do you think you're going?
Where? Outside, of course.
I'll be waiting outside,
I'm fine going after you.
GR
okay?!
AB!
What are you talking about?
FWUMP

...
Huh?
GRAB!
Our 5 minutes aren't over yet.
Kiss!
Augh!!!
Nip!
Eek!
Now is not the time or place.
Then don't.
FLINCH FLINCH FLINCH
It is indeed difficult to do, isn't it?
Augh?

KISS!
Hey, wait...
a minute.
St...
KISS...!
KISS!
Stop.
I can't take any more!
I'm not done yet.
This is no fun for me because
I can't see your face
Is the reason I can't resist him
because I'm tied up?
I told you before,

the only man you should be bound to
is me.
Even if

PASSED OUT
Don't interrupt us.
5 minutes haven't passed.
I still have more time.
Finish up!
I'm not giving you an extension.
you hadn't said that to me, I...
Augh!
I can't stand any more of this. That's enough!
BAM!
I can't beleve
you did those sorts of things to me at a time like this!
You're far too relaxed!
The situation remains the same whether I'm nervous or not.
I enjoyed myself; what's the harm in that?
YOU'RE ONLY SPEAKING FOR YOURSELF!
Am I?

BLUSH!
You didn't seem to be putting up much of a fight.
Th-
that's because I was tied up!
I see.
I'll pretend that was the case.
I'M TELLING THE TRUTH.
Good-ness,
you two don't understand your situation, do you?
I hold you that you were going to suffer from now on.
Morgiana ---

What will become of doing such a thing?
Return us back to land.
It's just a diversion.
We are pirates after all, right?
...Oh, I know.
SWIP!
SNAP
Prince Kallum!
Simply causing pain is no fun.
I'll give you a chance, Mishe.
A chance?
It's just a little bit of sport.
